

Game Rules: Memory

1. Cut out the pictures
2. Spread the cards picture-side-down on the table and mix them
3. Form rows of cards across the table
4. Turn two cards picture-side up and name the shown illustration
5. A match: the two cards turned picture-side up are identical
→ the player keeps the cards
A miss: the two cards turned picture-side up are not identical
→ the player turns cards picture-side-down again
6. It is the next players turn
7. End of the game: No cards are left on the table. The players count up their matching pairs. → The player who has the most pairs of matching cards wins.
